Power Conditioners

Merit Series - Standard Surge Protection and Filtering

Furman's most affordable rackmount power conditioners provide standard level surge suppression, standard level EMI/RFI filtration, nine outlets, 6ft line cord, and a robust steel chassis.

Install a M-10X E / M-10LX E in to the top slot of your rack, and the ten switched outlets in the rear panel will power up and protect all your equipment up to a 10-amp load.

Furman's M-10LX E model comes with LED lights to illuminate your rack.
