

INTEGRATOR PRICE LIST – JUNE 2022

AV-Wall

AV-Wall

The AV-WALL products are an ultra compact dante interface for wall mounting. It has an internal mixer feature which allows up to 4 lines of audio line mixing. They have an add on feature that allows to be operated by Bluetooth control. It also has a balanced mic and line inputs or outputs.

AV-WALL-DT4i £899.00	AV-WALL with 2 XLR and stereo mini Jack MicLine inputs to Dante + LED status and local Gain/ Selection button.
AV-WALL-DT4i-LE £759.00	AV-WALL with 2 XLR and stereo mini Jack MicLine inputs to Dante + LED status.
AV-WALL-DT4o-B £979.00	AV-WALL with 2 XLR analog and stereo Bluetooth outputs from Dante + LED status + OLED display + Gain/Selection button
AV-WALL-DT4o-LE £759.00	AV-WALL with 2 XLR and stereo minijack analog outputs from Dante + LED status.
AV-WALL-BT-EXT £299.00	Optional Bluetooth extension for AV-WALL-DT4i only.
AV-WALL-FB-DT4i £22.00	Option Black Face for AV-WALL-DT4i and DT4i-LE.
AV-WALL-WP-EB £8.00	Option Wall Plate version E Black.

INTEGRATOR PRICE LIST – JUNE 2022

AVDT-BOB

AVDT-BOB

The AVDT-BOB are compact 4-channel Dante break out boxes with embedded Digital Signal Processing. Each of the six different models of AVDT-BOB has either 2 or 4 mic / line and 2 or 4 analog outputs that are available on the Dante network via the embedded Ultimo chip.

AVDT-BOB is not just an on or off ramp to the Dante network, the on board DSP allows inputs and outputs to be processed with a toolbox of equalisation filters and dynamic processing including limiters, compressors and gates. A matrix mixer allows any of the inputs (Dante, analogue or AES) to be mixed and sent to the outputs.

AVDT-BOB-AE8IO £1,279.00	AVDT-BOB with 2xRJ45 (1xPOE) and 4x Mic In + 4x Line Out on Euroblocks.
AVDT-BOB-AE4IO £999.00	AVDT-BOB with 2xRJ45 (1xPOE) and 2x Mic In + 2x Line Out on Euroblocks.
AVDT-BOB-AS8IO £1,329.00	AVDT-BOB with 1xEtherCon(POE)+2xSFP and 4x Mic In + 4x Line Out on DB-25.
AVDT-BOB-AEG6IO £1,179.00	AVDT-BOB with 2xRJ45 (1xPOE) and 2x Mic In + 4x Line Out + 4 GPIO on Euroblocks.
AVDT-BOB-ADE8IO £1,339.00	AVDT-BOB with 2xRJ45 (1xPOE) and 2x Mic In + 2x Line out + 4x GPIO + 1x stereo AES3 I/O on Euroblocks.
AVDT-BOB-ADX8IO £1,429.00	AVDT-BOB with EtherCon(POE)+2xSFP and 2x Mic In + 2x Line out on 4x XLR + 4x GPIO and 1x stereo AES3 I/O on DB-25.
AxP-PSU12V1A £119.00	Optional auxiliary power supply 12V 1A for AVDT-BOB.
AxP-BOB-RACKKIT £113.00	Optional kit for mounting up to 3x AVDT-BOB in a 1U 19" rack.

INTEGRATOR PRICE LIST – JUNE 2022

Audio Toolbox Platforms & AxC Cards

Audio Toolbox Platforms

Smart, scalable and durable, the AVBx7 and AVBx3 boxes of the “Audio ToolBox” family allow networked audio technologies and traditional audio interfaces to be interconnected quickly and easily.

AVBx7/IS+r £1,649.00	Audio ToolBox in Installation version 19”x2U with 7 card slots + internal audio Matrix + Integrated redundant PSU.
AVBx7/SB+r £1,649.00	Audio ToolBox in StageBox version 19”x2U with 7 card slots + internal audio Matrix + Integrated redundant PSU.
AVBx3/ISM+r £969.00	Audio ToolBox in Installation version 19”x1U with 3 card slots + internal audio Matrix + External redundant power management.
AVBx3/SBM+r £969.00	Audio ToolBox in StageBox version 19”x1U with 3 card slots + internal audio Matrix + External redundant power management.
AVBx3/SB £739.00	Audio ToolBox in StageBox version 19”x1U with 3 card slots + Fixed audio routing.

INTEGRATOR PRICE LIST - JUNE 2022

Audio Toolbox Platforms & AxC Cards

AxC Cards

The AVBx7 and AVBx3 boxes allow the insertion of up to 7 or 3 “AxC-Card” audio interface cards respectively.

AxC cards can be inserted in any slot of an AVBx7 or AVBx3 box of the “Audio ToolBox” family to quickly and easily interconnect network audio technologies and traditional audio interfaces.

With 20 different audio interfaces and network technologies, AxC cards allow you to create a multitude of interconnection equipments, bridges, stage boxes and multi-network peripherals.

AxC-AVB £1,169.00	AVB MILAN card with 32 In and 32 Out on EtherCon + Remote IP control on RJ45.
AxC-DANTE £1,239.00	Dante card with 64 In and 64 Out + 4x Gigabit ports on 2x EtherCon and 2xRJ45 + Remote IP control.
AxC-ES100 £1,139.00	Ethersound card with 64 In and 64 Out on 2x EtherCon + Remote control on RJ45 + RS232.
AxC-CN32io £1,579.00	Cobranet® card with 16 In and 16 Out on 2x RJ45 (Primary/Secondary)
AxC-SWD5G £929.00	Dual Switch card with 10 Gigabit Ports on 8x RJ45 and 2x SFP cages
AxC-MADI £1,099.00	MADI card with 64 In out 64 Out on 2x BNC or Optical SC-Duplex + Remote IP control on RJ45.
AxC-MADI/SFP £1,099.00	MADI card with 64 In out 64 Out on 2x BNC or SFP cage + Remote IP control on RJ45.
AxC-ADSP £1,539.00	ASRC/DSP card Remote IP control on RJ45 - Configurable as 64x64 ASCR or 64x64 DSP Mixers 128x(EQ + LC + 1.7s delays).
AxC-DS32io £1,139.00	AES3 card with 16 In with SRC and 16 Out on 2x DB-25.
AxC-DX8i £719.00	AES3 card with 8 In with SRC on 4x XLR.
AxC-DX8o £459.00	AES3 card with 8 Out on 4x XLR.
AxC-AT32io £999.00	ADAT® card with 16 In and 16 Out on 4x Optical TOSLINK.
AxC-AS16M-v2 £1,799.00	High density Mic/Line card with 16 In on 2x DSUB DB25.
AxC-AS16Mo-v2 £1,519.00	High density Mic/Line card with 8 In and 8 out on 2x DSUB DB25.
AxC-AS8M-v2 £1,029.00	High density Mic/Line card with 8 In on DB-25.
AxC-AS16o-v2 £919.00	High density Analog output card with 16 Out on 2x DB-25.

INTEGRATOR PRICE LIST – JUNE 2022

AxC-AX4M £819.00	Mic/Line card with 4 In on 4x XLR.
AxC-AX4i £609.00	Analog input card with 4 In on 4x XLR.
AxC-AX4o £609.00	Analog output card with 4 Out on 4x XLR.
AxC-AE8io £799.00	Analog Input and Output card with 4 In and 4 Out card on Euroblock.
AxC-GP16io £709.00	GPIO card with 8x GPI and 8x GPO on relay.
AxP-RJ £119.00	Optical Transceiver SFP module with RJ45 connector for AxC-SWD5G only.
AxP-FX £91.00	Optical Transceiver SFP module with LC connectors for double multimode fibers for AxC-MADI/SFP only.
AxP-SBE £102.00	Pluggable converter: Sub-DB25 male to 8x 3-pole Euroblock.
AxP-PSU12VAVBx £239.00	External auxiliary power supply for Audio ToolBox frame with 12V DC external connector for AVBx3/ISM+r or /SBM+r.
AxP-SDSX8M £135.00	Cable with DB-25 connector to 8x male XLR for AxC-AS16o or AxC-AS8o.
AxP-SDSX8F £135.00	Cable with DB-25 connector to 8x female XLR for AxC-AS16M or AxC-AS8M.
AxP-BX £245.00	Twin bidirectional Optical Transceiver SFP module with LC connector for Single fiber monomode for AxC-SWD5G or AVDT-BOB.
AxP-LX £115.00	Optical Transceiver SFP module with LC connectors for double monomode fibers for AxC-SWD5G or AxC-MADI/SFP or AVDT-BOB.
AxP-SX £96.00	Optical Transceiver SFP module with LC connectors for double multimode fibers for AxC-SWD5G or AVDT-BOB.
AxP-DSX4F4M-D £135.00	Cable with DB-25 connector to 4x male XLR and 4x female XLR for AxC DS32io or AVDT-BOB-AS8io
